Background

The Quote Company Pty Ltd connects customers looking for 3 appraisals from Real Estate Agents with Real Estate Agents looking for cost effective and convenient lead generation.

Customers visit the site www.thequotecompany.com.au and specify which service they would like performed along with their contact information. This information is then sent to by email to 3 contractors who service the customer's location.

Contractors will then contact the customer and provide a quote; The Quote Company has no further interaction with the customer.

Agreement

This agreement is made between you (the Contractor) and The Quote Company Pty Ltd (us or we). By completing and signing this agreement, you agree to the terms and conditions contained herein.

On signing up, contractors are required to specify:

1. The type of service they wish to receive leads for;
2. The geographic area where they would like to receive leads; and
3. The number of leads they would like to receive per week.

The Quote Company will not exceed the requested number of leads unless authorised by the contractor.

Contractors can amend these variables at any time by emailing enquiries@thequotecompany.com.au or by calling 1300 722 687.

The Quote Company will endeavour to supply the requested number of leads however, we cannot guarantee that this number will be achieved.

Acceptance of Leads

The Quote Company charges for leads irrespective of whether or not a sale is concluded between the contractor and the potential customer. We do not charge a commission on sales that do go ahead.

Contractors have the option of rejecting leads for the following reasons:

1. The customer is non-contactable within 7 days, provided that you reject the lead after 5 days and before 7 business days after we provide you the lead;
2. The person is not likely to have the service completed within 6 months, provided you reject the lead within 7 business days after we provide you the lead;
3. The lead was received via your own marketing activities prior to receiving the lead from us, provided you reject the lead within 2 business days after we provide you the lead (day count excludes weekends); and
4. The lead is outside of the specified geographic area, provided you reject the lead within 2 business days after we provide you the lead.

Rejection of leads is only accepted by clicking on the link in the lead email within the time period specified above.

Payment

You agree to pay us the following fees for each lead we refer you:

Real Estate leads - Residential	\$50.00 + GST
Real Estate leads - Commercial	\$90.00 + GST

You agree to pay us the fee for each lead irrespective of whether a sale is made. Leads that have been rejected in accordance with clause 3 will be credited to the contractor's invoice.

Invoices are sent via email each fortnight. Payment by EFT is required within 3 days of the invoice being issued. If no payment is received in this time, payment will be deducted from the contractor's nominated credit card. A 2.5% surcharge applies for Visa/ Mastercard and 3% for AMEX.

The Contractor's nominated credit card will be debited initially for \$1 to confirm it is active. This will be credited back immediately.

Interest at the rate of 15% per annum calculated daily is payable on any overdue amount under this agreement. Any fees, expenses or liabilities incurred in recovering any invoices including but not limited to any legal fees, court costs and disbursements (on a full indemnity basis) and debt collector fees are payable by the contractor.

Cancellation of service

In order to cancel the service, contractors need to send an email to enquiries@thequotecompany.com.au or call 1300 722 687. We will cancel the service immediately after receiving notification from you.

The Quote Company Pty Ltd may cancel this agreement if you are in default of any obligation of this agreement, repudiate this agreement, are insolvent, or default on any payment obligation under this agreement.

Once this agreement is cancelled, an invoice will be generated and payment will be debited from the contractor's credit card within 3 days of notification unless other payment methods have been agreed upon. Cancellation of this agreement does not release you from the obligation to pay any outstanding fees or from any other obligation under this agreement.

Privacy

Contractors agree not to use, distribute, or sell any of the information provided by The Quote Company about the customer other than for providing a quote for the service requested, unless express permission is granted by the customer.
